

MACMILLAN CANCER SUPPORT NORTHAMPTON HALF MARATHON 29TH SEPTEMBER 2019

Could you take part in this race to help raise funds for Macmillan Cancer Support? The Wellingborough & Rushden Committee have free places available – all that we ask is that you raise a minimum of £100 in sponsorship money in return.

Why be part of the team?

By joining Team Macmillan you will be making a real difference to people affected by cancer. We know cancer affects your whole life, but Macmillan is here to help people with cancer find their best way through and live life as fully as they can. We can't do it without you so join the team today and we will treat you like the superhero you are from the moment you sign up through to when you cross the finish line.

There are around 88 Macmillan professionals in Northamptonshire, and a range of services including the Macmillan Information & Support Centre at Northampton General Hospital, which offers physical, financial and emotional support to people living with cancer. Your £100 sponsorship could fund this centre for 2 hours, giving people with cancer a chance to ask questions and talk through their concerns with specialist staff and trained volunteers.

Macmillan are solely funded by voluntary donations and fundraising, and we are determined to make sure people living with cancer in the county are receiving the best possible support. To ensure your fundraising is spent specifically on Macmillan services in Northamptonshire, please specify this on your Just Giving page, or let us know!
