

# NO ONE IN NORTHAMPTONSHIRE SHOULD FACE CANCER ALONE

## Northampton Half Marathon Sunday 9th September 9am

Could you take part in this race to help raise funds for Macmillan Cancer Support in Northamptonshire? The Wellingborough & Rushden Committee have free places available - all that we ask is that you raise a minimum of £100 in sponsorship money in return and all of this will stay within the county to fund care and services for local patients.

There are around 88 Macmillan professionals in the county and these are some of the services that are currently being funded;

- Practice Educator for Supportive and Palliative Care at NGH
- Metastatic Breast Nurse at KGH
- Breast Care Support Worker at NGH
- Welfare Benefits Advisor
- Implementation of The Recovery Package; a programme to ensure that people living with and beyond cancer in Northamptonshire have the best possible outcomes
- End-of-Life Service Transformation Lead at KGH
- Community Prostate Cancer Service over the whole of Northamptonshire

*Macmillan Nurses may not be angels...  
...but they are the next best thing'*

All of the services provided by Macmillan Cancer Support are paid for solely by fundraising and we are determined to make sure that cancer patients in the county can receive the best possible care so please help us to raise as much as possible. The race starts in Northampton town centre and finishes in the beautiful parkland at Delapre Abbey.
